

PRODUCT INFORMATION S800Z-EB-Schiebe_TY_US - 22.11.2021 - www.vsamerica.com

Series 800 Adjustable shelf inserts for sliding-door cabinets.

Adjustable shelf inserts are available in melamine-resin-coated chipboard and blockboard, each with glued-on plastic edges. The shelf inserts can be freely positioned by means of shelf supports in the holes and secured against slipping out.

The following material groups are available to choose from: Bases made of chipboard: L6.
