DROP Plastic table.

Plastic table, round or square, four-legged for flexible use indoors or outdoors, e.g. in break areas, great halls or the canteen. Table made from glass fibre-reinforced polypropylene with UV stabilizer. The material is tough, weather-resistant, water-repellent and easy to clean. The table top has flattened edges. The legs with plastic glide elements are fastened to the table with screws.

The following material groups are available to choose from: Body made of plastic: C(white, dolphin grey).
